Clarence

Lyndon

Environmental & Specification Data

CLA/1

Product Description

Clarence is a classic, modular design with sculptural form that can be tailored to your individual space and taste through subtle stitch detailing to the sofa's front profile. Elegant in style, it offers deep comfort and a soft seat. Its foam seat and back cushions provide the durability needed for constant use whilst not compromising on style or design.

Product Specification

- · Hardwood and plywood internal frame
- CMHR foam seat and back cushions
- Webbed seat and back construction
- Top stitch detail
- Polished aluminium or Timber legs

Product Dimensions

- Height 750 mm 30 inches
