# Engineered Continuity

Static Meeting Tables

Deploy tables provide a stable and attractive surface across every form and specification. High quality materials, superb workmanship and engineering excellence result in solid, robust furniture ready for the rigours of the workspace.

From the office to conference rooms and boardrooms, Deploy offers a cohesive tabling system for visual consistency throughout a scheme. Its elegant design is perfectly complemented by our Ola, Paloma, Sia and Isla seating collections.

# Portable & Agile

Mobile Fliptop

The Deploy range includes flip-top models in rectangular, circular and semi-circular forms available on lockable casters or polished glides, resulting in tabling ideal for conferences and/or flexible workspaces. Our range of surface and leg finishes ensures Deploy will suit the style of a wide range of workspaces.

Designed in tandem with our Portal media unit, Deploy tables are ideal for collaborative working and conferencing areas. Cable management, modesty panels and power options can be specified to suit your requirements. All mobile tables are available with polished aluminium or black nylon legs.

Poser high flip top table Portal with nylon foot

# Sustainable Evolutions

Our dedication to environmental responsibility has driven us to innovate and refine our products continually. The Deploy Collection embodies this commitment, offering exceptional durability and an extended service life. Central to this evolution is our Deploy leg, made from 70% post-consumer recycled nylon—a material carefully selected for its resilience and reduced environmental impact.

**30%** Total reduction in carbon with the recycled nylon leg.

## Specifications

### Dimensions

#### Outset Leg

The smallest & largest line drawings for the Deploy Flip Top tables with Outset Legs are shown (right) for reference.

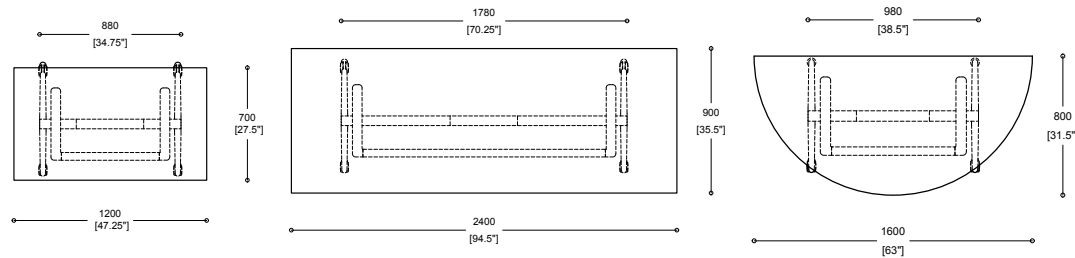

A complete and detailed list of sizes and specifications can be viewed by scanning the QR code below.

#### Inset Leg

The smallest & largest line drawings for the Deploy Flip Top tables with Inset Legs are shown (right) for reference.

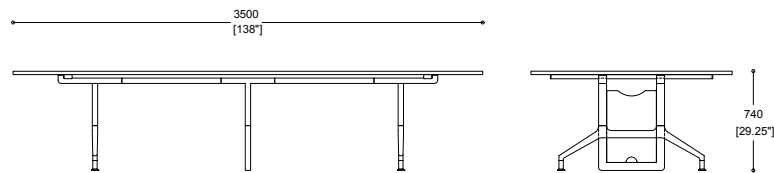

A complete and detailed list of sizes and specifications can be viewed by scanning the QR code below.

#### Multi Leg

Deploy Static tables above L3000mm feature a cable managed central leg (shown above & right).

A complete and detailed list of sizes and specifications can be viewed by scanning the QR code below.

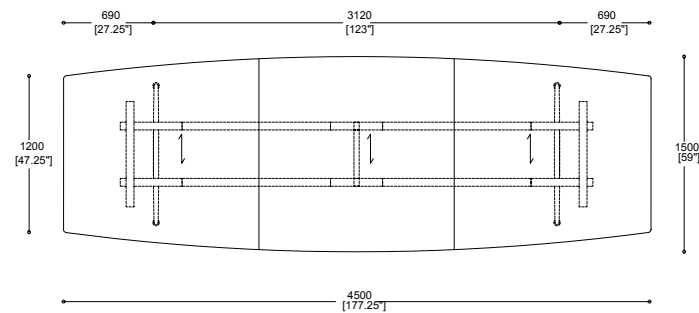

#### Deploy Static Barrel

As part of the Deploy Static range we offer a Barrel shaped top profile (shown right). The sizings shown in the pricing table states the size of the table in the following format:

Table Length x Widest Width x Narrowest Width.

In the line drawing shown, this table is shown as:  
W4500mm x W1500 x W1200

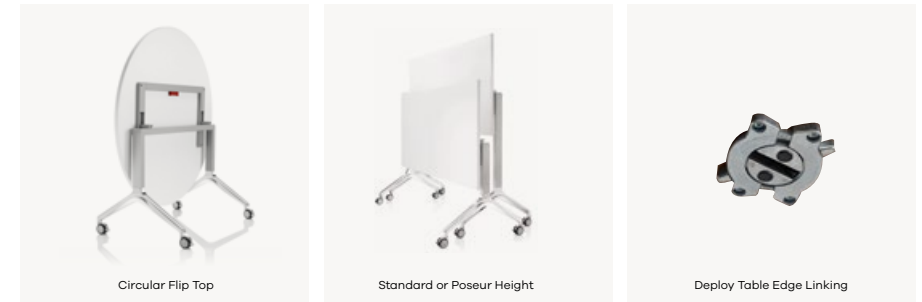

### Options

#### Table Tops

Available in five table top shapes: Square, Rectangle, Barrel, Circular & Elliptical

Five standard finishes: MFC, MF MDF, Laminate, Veneer & Fenix. See appendix for Boss Design's standard colourways

Also available in a Poseur height configuration

#### Table Frame & Leg Finishes

Standard: Black or Grey painted frame with polished foot/glide

Optional: Recycled Nylon Leg Black  
Optional: Black or Grey painted frame, foot & glide.

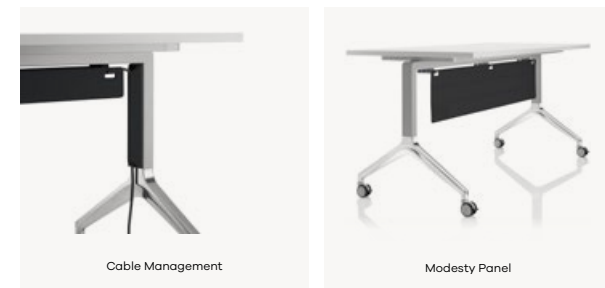

N.B. Mobile Flip Tops only available with polished aluminium and black nylon legs

#### Cable Management & Modesty Panels

Deploy Flip Top tables are available with or without cable management, as shown right.

N.B. Modesty Panels cannot be used as a cable management tray due to the fact they feature one set of hook loops only (see right). Deploy Static Barrel

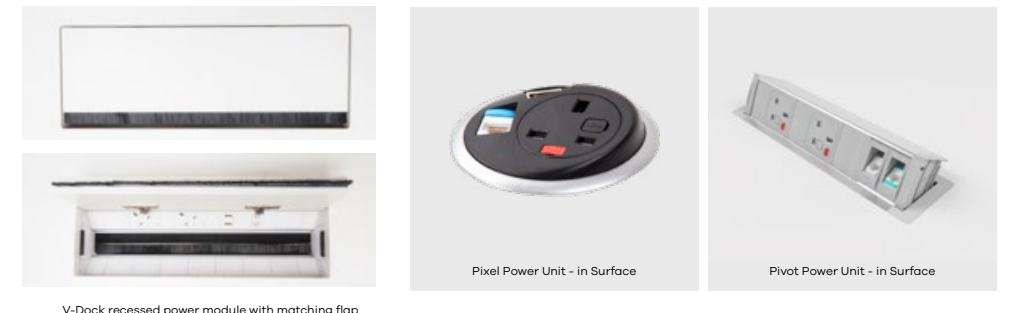

#### Power & Data

Various power and data options are available to specify on Deploy

As standard, power is located centre of the table and runs parallel with the longest edges.

Drawings are provided for your reference prior to ordering and are to be used as a guide

For customers own power please contact us for compatibility
