Calm & Poised

Meeting Tables

Niko tables provide a stable and attractive surface across every form and specification. High quality materials, superb workmanship and engineering excellence result in solid, robust furniture ready for the rigours of the workspace.

From the office to conference rooms and boardrooms, Niko offers a cohesive tabling solution for visual consistency throughout a scheme. Its informal style perfectly complements our meeting chair collections Ola, Paloma and Isla.

Harmonious

Intergration

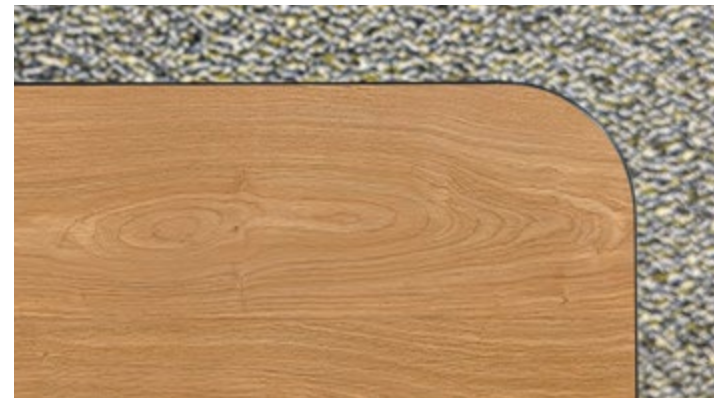

Niko Table System

The Niko Table Collection, features solid oak legs and an extruded aluminium frame for enhanced stability. Available in a variety of sizes with four leg and six leg options. Top shapes including square, trapezium, round, and barrel, Niko combines robust design with versatile elegance to suit any setting.

Niko has range of power options to enhance functionality and convenience. In-surface power modules are seamlessly integrated into the tabletop for a clean and unobtrusive connectivity, while on-surface power units provide easy access for all users. Niko's power solutions ensure your workspace is both stylish and practical.

Niko
Details

Sustainability, form and choice – every detail of the Niko collection has been carefully considered to deliver unrivalled flexibility and strength for an agile workplace.
